**Recognizing outstanding
contributions of institutions in
the field of Professional Technical
Education and Training**

**ORGANIZATION AWARD
NOMINATION FORM**

WFCP Awards of Excellence 2022

Organization Award Nomination Form

Application Procedure

To be considered for an Organization Award of Excellence, you must submit this nomination form by November 1st, 2021 (**11:59 p.m. Canada/US Eastern Standard Time**) electronically to secretariat@wfc.org in PDF or Word format. Applications received after this date will not be considered.

Applications are open to WFCP members and their member institutions and must be submitted in **English. No pictures, videos or hyperlinks** can be included in the application. There is no limit to the number of nominations a single institution can submit.

Award recipients will be informed in February 2022 and profiled through WFCP events, including the 2022 Congress and/or future WFCP webinars.

Judgement Criteria and General Guidelines

Organization Awards of Excellence celebrate the achievements and recognize the contributions of institutions in the field of Professional Technical Education and Training in eight different categories. These categories are based on WFCP Affinity Groups but are not exclusive to members of these groups. If you are interested in joining an Affinity Group, please contact secretariat@wfc.org

Institutions are encouraged to submit a one-page synopsis (A4 font size 12, 500 words with single spacing in English) about the organization, which will not form part of the marking criteria.

For item 6 of the scoring criteria below a supporting testimony from an external organization must be submitted and cannot exceed a word count of 500 (A4 font size 12 single spacing).

Each nomination will be awarded a grade out of 100 and will be judged according to the following six criteria:

Criteria	Marks Available
Criteria 1 – Comprehensive description of the project, including scope, aims and objectives, target audience, barriers to success and success criteria.	10
Criteria 2 - Demonstrated benefit to professional and technical education and training at the international level.	20
Criteria 3 - Demonstrated achievements of the nominee and the work for which they are being nominated.	20
Criteria 4 - Demonstrated benefit to students.	20
Criteria 5 - Demonstrated evidence of innovation, initiative, or obstacles which the nominee may have had to overcome to achieve their outcome.	20
Criteria 6 - Material provided in support of the nomination & value added to the Federation.	10

Organization Award Categories

Applied Research and Innovation Award recognizes an institution or institutional association that has demonstrated excellence in addressing real-world challenges through applied research.

Sustainable Development Goals Award recognizes an institution or institutional association that has demonstrated excellence in advancing environmental sustainability through knowledge, tools, practices, and technologies.

Cyber and Data Security and Social Engineering Award recognises an institution/organisation that has demonstrated excellence in the innovative application and use of technology, training/development and developed personal practice to protect systems, data and individuals from the increasing global threat posed by professional and criminal cyber security attacks.

Construction Award recognises an institution/organisation that has demonstrated excellence in the development and delivery of modern construction practices that ensure effective and efficient future focussed construction project delivery which considers the future sustainability ambitions and needs of this sector.

Global Citizenship Award recognizes an institution or institutional association that has demonstrated its commitment to providing the best experiences and exemplary strategies and tools to prepare students for global citizenship.

Teacher Professional Development Award recognizes an institution or institutional association that has demonstrated excellence in teacher professional development.

Strategic Leadership Award recognizes an institution or institutional association that has demonstrated excellence in leading professional and technical education and training.

Indigenous Education Award recognizes an institution or institutional association that has demonstrated its commitment to Indigenous learners and communities and to advocacy priorities and positions related to Indigenous education and skills development.

Synopsis of Institution

Please insert below a one-page (A4 font size 12, 500 words with single line spacing in English) synopsis of your organization. This text is not mandatory, yet recommended, and will not be part of the marking criteria.

Questions

When making your nomination, please provide answers to the following six (6) questions, describing how the nominee meets the following award criteria. Where possible, provide examples to support the statements.

Each individual answer (A4 page, font size 12, 500 words with single line spacing) cannot exceed 500 words and can only be submitted in English. **No pictures, videos or hyperlinks** can be included.

If the nominating statement or testimonials do not adhere to the instructions given above, the application will not be considered. Any text over the prescribed word limit will not be considered.

1. Describe the project or institution being nominated.
2. Identify how the project or institution's work demonstrates benefit to higher applied education at the international level.
3. Demonstrate achievements of the nominee and the work for which they are being nominated.
4. Demonstrate benefits to students.
5. Demonstrate evidence of innovation, initiative, or obstacles which the nominee may have had to overcome to achieve their outcomes.
6. Submit a testimony from an external organization in support of the nomination of no more than 500 words.
