

INTERNATIONAL
YOUTH
CAMP

WFCP2016

Presentation

Date

September 19 – 25

Theme

Professional and Technical Education Student in the 21st Century

Goal

Enhance the spirit of leadership and collaborative work

Presentation

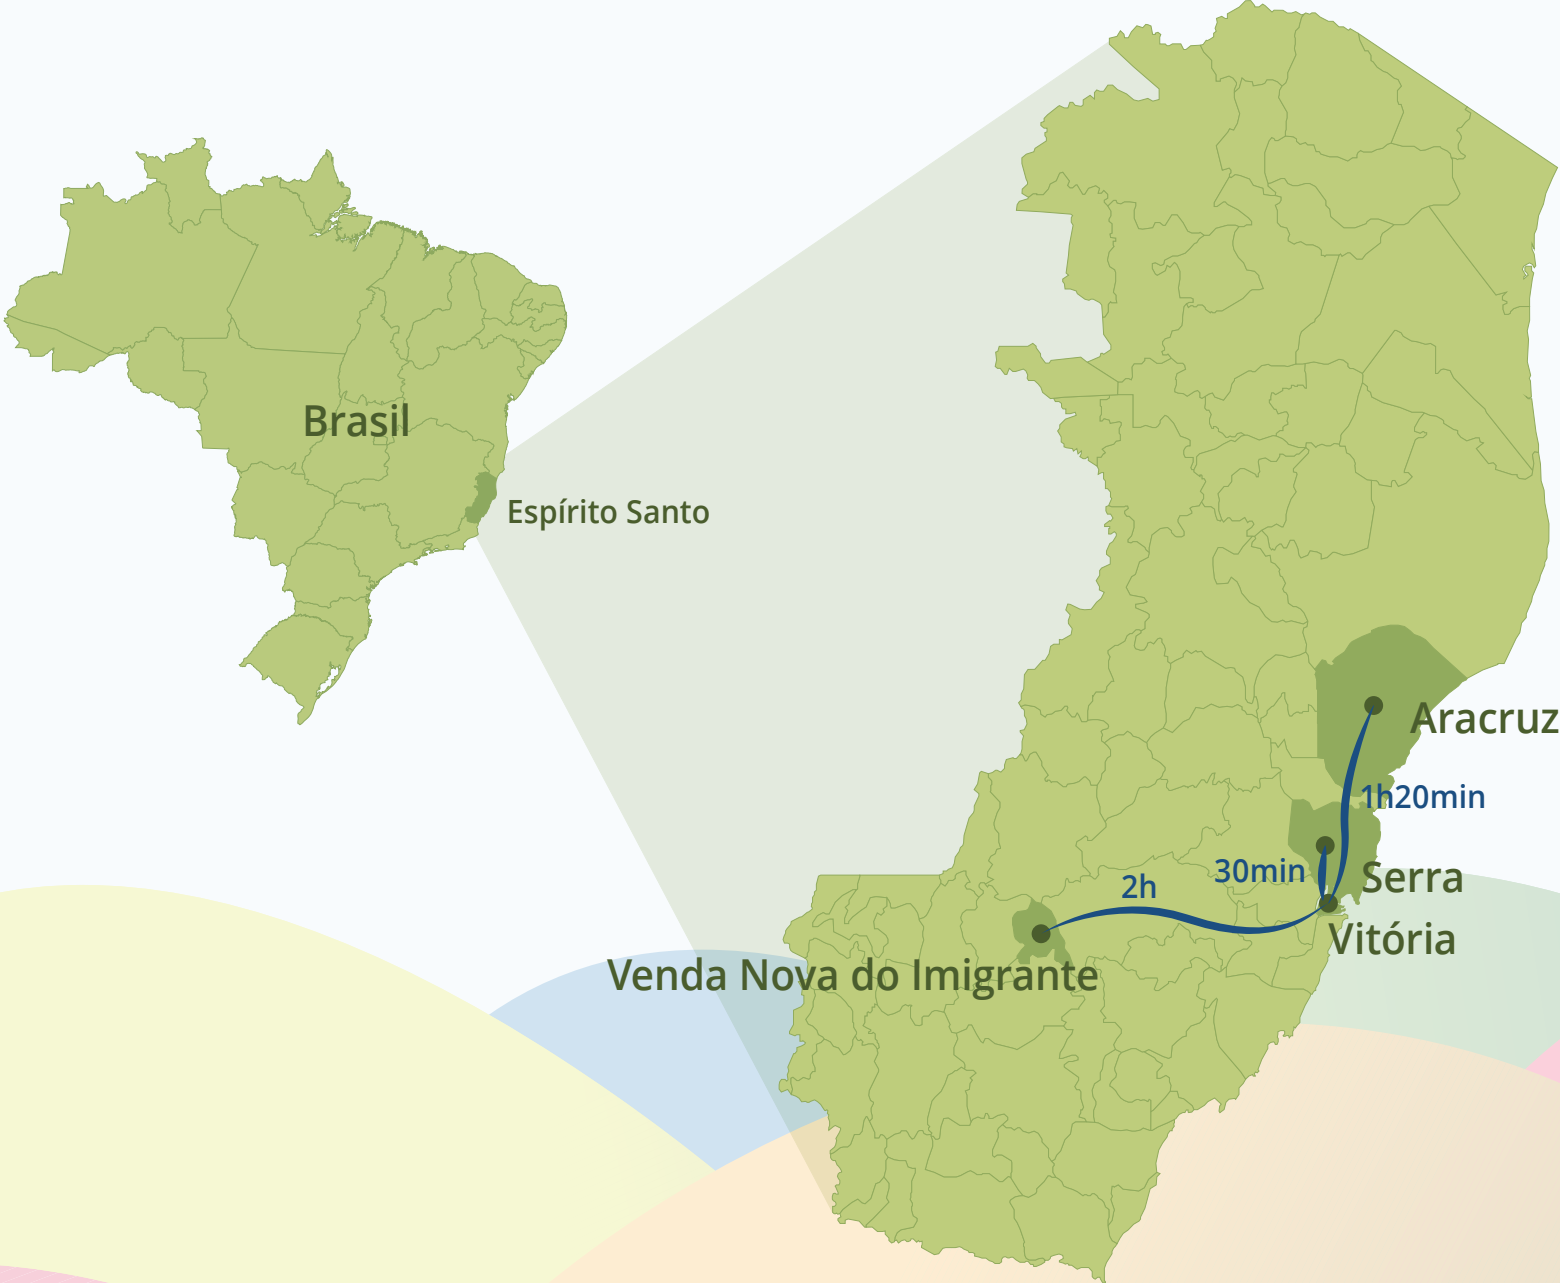

During the event, students will have field trips, group dynamics, research, production of a video, and active participation during the Congress. They will participate in the discussions with the leaders as representatives of the professional and technical education student in the 21st century, based on the sustainable development goals.

There will be maximum of 40 students (24 recommended by WFCP members, the remaining students will be recommended by the Brazilian Federal Network of Professional and Technical Education – Conif).

Registration for the event is free and lodging, transportation, food and reception in Vitória airport are included. Each country shall provide their students the flight tickets and travel expenses.
